**sponsored by Buckeye Australian Shepherd Club**  
**All breeds welcome**

\_\_\_\_\_ BASC member - auditing - free

\_\_\_\_\_ BASC member – working spot- free

\_\_\_\_\_ Auditing - \$10

\_\_\_\_\_ Working spot - \$20

Puppies welcome for working spots too. Safety is always a priority, so any jumping will be very low for puppies. Working spot dogs must be comfortable and quiet in their crates while other dogs are working. And the dog should be able to work with their partner with mild distractions, which are other dogs in the agility arena. The arena will be divided into quarters with barriers, so 4 dogs will be working at one time, but be separated from each other. The other 4 working spot dogs will be crated, until their turn.

Bring a lunch or \$8 (there is a great deli here and you can design your own sandwich, etc. and we will pick up lunches for those who want them). Water and snacks will be available.

A harness with a back attachment and a 4-6 foot leash will be needed for safety and videos for the titles will need to show the dog in a harness.

Bring a camera/phone/iPad, etc. for taking videos, as you will be able to start your title submission videos.
